

23rd October 2015

Dear Parents and Carers

We've had a fantastic time making different foods this week. Threading the fruits onto our kebabs was a challenge and we loved smelling the melting chocolate. Yum!

When we come back after half term our topic will be: Magic and Sparkle. We will be entering the world of wizards, witches, fairies and other magical creatures.

Our phonics focus will be: the phonemes c, k and qu. We will be recapping the keywords learnt so far.

In maths we will be counting back and matching numerals.

Well done all the children who are coming into school independently. It is lovely to see how grown up they are becoming.

With this letter you will hopefully find a list of the keywords we have been learning this half term. It would be great if you could practise these at home with your children and also perhaps try to make up words with the phonemes we have studied.

On Tuesday 3rd November, starting at 6pm, Mrs Bramley and Mrs MacRae will be giving a presentation in school on how we teach reading, with a focus on phonics and comprehension. We hope you will be able to attend.

Have a lovely half term, we look forward to hearing what exciting things you have been up to.

The RMS Foundation Team
