

## Sport Premium Funding for the academic year 2021- 2022

The Department for Education states that schools must use the funding to make additional and sustainable improvements to the quality of PE and sport that they offer. This means that school should use the Primary PE and Sport Premiums to: develop or add to the PE and sport activities within the school and build capacity and capability within the school to ensure that improvements are made now that will benefit pupils joining in the futures.

Our annual spend is linked to the 5 key indicators:

**Key indicator 1:** The engagement of all pupils in regular physical activity (KI 1)

**Key indicator 2:** The profile of PE and sport being raised across the school as a tool for whole school improvement (KI 2)

**Key indicator 3:** Increased confidence, knowledge and skills of all staff in teaching PE and sport (KI 3)

**Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils (KI 4)

**Key indicator 5:** Increased participation in competitive sport (KI 5)

Amount for the year: £19000+ £5557.74 (carried forward from 2019-2020) *Funding not spent in previous academic year as sports coaching did not take place nor did planned CPD or swimming bookings.*

### **Objectives of spend:**

Our aims is to provide an exciting, engaging and active PE curriculum which allow for the holistic development of all pupils. In addition to this, we are continuing to develop our outdoor provisions to ensure that we provide a safe and stimulating environment for all children in the school. We want to ensure that our sports premium leaves a lasting impact and that as many of the steps we take are sustainable and will have the greatest impact on our children.

We aim to ensure that our school provides children with as many opportunities to achieve at minimum of 60 active minutes during the school day. By providing high- quality equipment, lessons, competitive opportunities and facilities, we feel our children's physical and mental health will continue to improve and this will have an impact on the rest of the children's classroom learning.

By providing carefully planned CPD opportunities and planning support materials, we will be able to equip our teachers with the resources they need to deliver high-quality PE 'for all'.

Meeting national curriculum requirements for swimming and water safety

Please complete all of the below:

Sport Premium Funding for the academic year 2021- 2022

<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p><b>N.B.</b> Even though your children may swim in another year please report on their attainment on leaving primary school.</p>	75%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	77%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	64%
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?</p>	<p>In the summer term we plan to take 20 children from across year 5 and 6 who we have identified as needing additional support to achieve the national swimming requirements and water safety. This will be 5 weeks of 1 hour sessions.</p>
